Title of submitted manuscript: _

1. Declaration of ethical conduct in research

I/we abide by the 『Clinical Movement Science in Human』 Guidelines while writing this manuscript.

This manuscript has not been published before and will not be submitted for publication elsewhere until a decision has been made on its acceptability for publication.

The author(s) does conduct all research activities (e.g., data collection, writing reports, and presenting results) in an honest and sincere way, describe the research content and its importance in an objective and specific way, and not change, omit, or add to the results.

There are no research misconducts, such as plagiarism, duplication of publication, falsification, or distortion of research findings.

2. Copyright transfer agreement

All authors must have made an actual and intellectual contribution to this manuscript and have the whole responsibility to its contents. The copyright and the transfer right of the digital content of the published paper and journal is owned by Clinical Movement Science in Human.
